men can be a lot of fun

I must admit that I once (or twice) got it on with my history professeur in college. Ever since then, I've been attracted to men with glasses. They look so smart.

They remind me, also, of the Clark Kent persona. Take their glasses off and they turn into super fuckers. Just what I like.

Then I discovered that playing with my anus felt really good. Now I let guys do that for me and every one has loved playing back there.

MILFS

To *MILFs magazine*,

I hate being called a MILF and I love being called a MILF. I have not yet decided, but whichever way I go, I still like the attention. I wore my skirts short and my blouses would be open deep in front that would show my 36 inch breasts. I like to watch men staring at me. But I can't decide if I like the younger ones or older ones doing it.

I live in the north side of Chicago and I'd take the el (elevated) train into the city for business or to meet girlfriends for lunch. It is an easy twenty minute ride. I'm in my early thirties, but dress pretty hot. It's sex that sells, and guys like to see a woman flaunting it, if she's got it.

It's early July and it's hot and muggy and I have to make a pitch at the Merchandise Mart to one of the buyers. I am dressed for the weather in a thin blouse and short skirt)of course). But even in these minimal clothes, I still carry an air of professionalism and once I open my mouth to speak, they instantly know that I know my stuff. So I get on the train at my stop and find a seat. Opposite me are two 40+ businessmen stuffed into grey suits and ties. I thought to myself, they've got to be hot in all those stuffy clothes. I was wearing no bra and no panties! I was aware that my blouse was unbuttoned just above the middle of my boobs, and I had my briefcase to hide my pussy as the occasion called for.

These two were constantly looking at me and I have to admit they were pretty handsome. They'd be looking and pointing at things in the morning paper and them look up at me to try to get a glimpse of my body parts. Their looks were making me breath faster and I had to bite my lower lip to make sure my breathing wasn't too obvious. After a couple of minutes I casually undid a

Dear MILFs editor:

I gotta tell you, I'm in love with Brooke Haven. She's one amazing sex machine. The whole time I looked at the pictorial in your magazine I was hard. After only a couple pages I had to pull myself out of my pants and whack off to her photos. That big cock up her ass and in her mouth made mine look pretty small but I still wanted to jam mine into her. Do you think she would ever consider letting me fuck her or do you know if she is only into big cocks? Any advice you could give me would be greatly appreciated.

– Joey, Seattle

I could see him angled in the mirror looking at my open blouse as I leaned over to wash my hands. His eyes caught mine catching him looking, but unexpectedly, he did not look away.

button on my blouse. One of the men was glancing at me and saw me doing it, and I smiled back at his startled look. I pretended that the weather was too hot. I was looking straight at him and I think he could just begin to see the curve of my breasts. He looked confused, didn't know where to look, but he saw that I didn't mind him staring. He shifted a bit in his seat to get a better view. The other man was reading, but glanced up at this movement and saw me, too. He didn't look down again. They both were looking at the cleavage of my breasts and then into my eyes.

Then I started undoing another button and that really made them squirm. The guy on the right stood briefly, adjusted his pants and sat back down. Both boldly stared at the treasure of my breasts and swallowed hard. I wanted to show them more and these their excitement. But how could I on the el?

I then took my briefcase from my side and held it with both hands in front of me. This caused my arms to push my boobs together and the line of my cleavage became even more pronounced. I then smiled at them and let them know that I was aware of their stares. I looked around the train car to see if anyone was watching our little game but everyone seemed into their newspapers, iPods or conversations. I then uncrossed my legs and placed both of my feet on the floor. Fresh air rushed in my pussy and I felt better.

I followed their gaze as they lowered it to my pussy. I fidgeted with the hem of my skirt and opened my briefcase which made me open my legs a little wider to steady it. I noticed that one of them had his hand on his crotch and was slowly pressing his cock. They looked intently and must have seen my pussy hairs and maybe the lines of my slit.

The next stop coming up was mine. I closed my briefcase and my legs and they settled back in their seat. I stood up to exit the train and gave them a little wiggle as I stepped out onto the platform.

I walked over to the Merchandise Mart and worked up a little sweat in the Chicago humidity. I showed my pass to the guards and took the elevator to the ninth floor. I had to pee so bad I crossed my legs the entire elevator ride. I hit the rest room as fast as I could and without realizing it, I had run into the men's room. I wasn't paying much attention to the rest room signs as pushed through the door. But when I got inside and saw the urinals I realized it but there was not time. I apologized to the guy who happened to be using one and went for the nearest stall. I heard him leave and relaxed to empty my bladder.

I finished and wiped up, exited the stall and went to the sink to clean up. Just as I turned on the water, a man cam in saw me and did a double take thinking he was in the wrong rest room. I looked at him and smiled and said coyly, "I had to go really bad and this was the closest. I hope you don't mind." He smiled warmly and said it was okay with him; he just came in to wash up. He walked over to the sinks and stopped one away from me. I could see him angled in the mirror looking at my open blouse as I leaned over to wash my hands. His eyes caught mine catching him looking, but unexpectedly, he did not look away. "Those look quite nice." he said, I though rather boldly. 'Thanks" I said "The el ride was very hot and I'm trying to cool off before my appointment in fifteen minutes." He asked who I was seeing and I told him. He said he knew the company.

My left hand reached under his butt and grabbed and squeezed his balls. I wringed them like a cow's teat coaxing the little spermies to travel up his cock and out.

We looked at each other. His twenty-something age wore well on him. Nicely dressed and confident. He pulled a paper napkin from the dispenser and gave it to me and then pulled more for himself. "So you have fifteen minutes to spare?" he asked. "Yeah." I replied. He then took my hand and pulled me gently to the larger handicapped stall.

We went inside and he locked the door. He reached over and undid the remaining buttons and pulled my blouse out of my skirt. He held my breasts in his hands, kneading them and rubbing them. He slowly raised my left breast to his mouth and kissed the nipple. He started to rub my nipples between his thumb and forefinger and soon both my nipples were hard. I moaned loudly and my body shook with excitement. I removed my blouse and lowered my skirt and stood naked inside the toilet.

I spread my legs a little and rubbed my pussy right there in front of him. My pussy was neatly coiffed with a thin strip but clean shaved between my legs. My clit stood hard and prominent. I opened my pussy lips with my fingers and began to rub a finger all along the slit. He was in a very excited state watching me. I allowed him to suck my nipples. I felt his mouth against my nipple and he sucked it in. He licked it with his tongue and then bit it slightly.

This made me quite hot and I put my hand on his crotch and undid his zipper. His cock was already hard as I pulled it out. Due to his pre-cum, it was already slick and my hand slid along it easily. I rubbed and stroked the shaft for a minute and he then dropped to his knees and started to lick my pussy. I have to admit that felt pretty good. His tongue rolled around my clit making me moan loudly. My ass jerked as his tongue moved all over my slit and finally he pushed his tongue inside my hole and started to tongue fuck me.

I moaned and quickly came! My legs trembled as I came and came some more! He then stood up and urged me to make him come. I picked my skirt up off the floor and put it on the toilet seat. I sat in front of him and pulled his hips towards my face, meeting his cockhead with my tongue. I licked and sucked with conviction that I was going to make him cum in the minutes I had left before my appointment.

I released his cock from my mouth and stood up and took my skirt off the toilet seat and lifted it up. I got behind him and a little off the side so I could continue jerking him off. I used my right hand like an expert and feverishly yanked his cock urging out his cum. My left hand reached under his butt and grabbed and squeezed his balls. I wringed them like a cow's teat coaxing the little spermies to travel up his cock and out.

I felt his cock spasm and I knew he was ready; so I pointed it down to the toilet. He spurted it out and with good aim, right into the bowl. The thick white cum hit the water and slowly sank to the bottom. I lifted my leg and pushed the toilet flusher down and away it went.

We both redressed, straightened up and fixed our clothes. He tried to give me a kiss but I didn't have time to redo my lipstick so I told him I couldn't. I unlocked the door since I was closest and pushed it open. I was startled to see an older man standing right there that apparently had been listening to us. I looked down and could see a large bulge in his pants. He looked at me expectantly, but I pushed my way past him and headed for the mirror. My paramour and the man exchanged words for a moment and they headed for the door. I looked at then in the mirror and my paramour mouthed that was his boss. I giggled, finished, and headed to my appointment.

I'm into wearing nice undies that feel soft and silky against my body. Especially since I've got a clean shaved beaver. No hair down there. So the panties have to be silk. HOMETOWN -- **Los Angeles**

MARRIED -- **Just last month**

EVER CHEATED -- **No, I'm a good girl**

STILL MARRIED -- **Happily**

YOUNGEST STUD -- **What?**

CHEAT AGAIN -- **I told you I never did**

DEEP THROAT -- **Never saw the movie**

ANAL SEX -- **Yes, I like doing it there**

I heard a neighborhood kid call out MILF the other day. I turned around looking to find one when I realized he was referring to me. At first I thought he should wash his mouth out, then I realized it was a compliment. I walked around the house saying "You're a MILF, babe." with a smile on all day long.

HOMETOWN -- **We're both from NYC**

MARRIED -- **Not to each other**

EVER CHEATED -- **All the time**

STILL MARRIED -- **Not to each other**

DONE GIRLS -- **Obviously**

SPIT or SWALLOW -- **Sure, why no?**

ANAL SEX -- **We've done it before**

MASTURBATE -- **Hell yeah. All the time!**

We're both city girls. New York City girls who left the Big Apple for the promises Los Angeles whispered in our ears. We found each other out there and became quick friends. We were friends before we became lovers, and we were lovers well before we allowed anyone to photograph us in our most intimate moments.

I've always been quite sexual. I think both my parents were also, but it's hard to tell about your parents. So I found my own way with sex. But my way probably wouldn't work for most people. I started by feeling comfortable naked. I'd walk around my apartment naked, I'd sleep naked, I'd swim naked. Wherever I could I'd be naked. The more I got naked the more comfortable I felt. So when it came to having sex on camera, I was comfy being naked. But screwing someone in front of others, that took time!

I was so horny that I knew I was going to have to take her soon. I gave Raylene a little push and she fell back on the sofa. She spread her legs wide as I stepped between them. I tangled my fingers in Raylene's hair as she took my dick in her hand and leaned close. She stuck her tongue out and licked the pre-cum off of the purple head, and I could feel her trembling under me as the taste sent little pre-orgasmic shivers through her. After a half-dozen licks she took me deep into her mouth. I couldn't believe the sensation as she slid her mouth up and down my shaft, sucking gently.

When I felt the cum bubbling perilously close to shooting out of me, I gently pushed her back on the sofa. She slouched there with her legs spread wide and her eyes twinkling up at me. She had a little smile on her face, but her breathing was hot and heavy as she waited to be skewered with my hot steel rod. I knelt between her legs and she drew her knees up, exposing her cute little pussy to my hungry tongue. I put my hands on her ankles, and even the lace of her socks felt sexy at that point. I pushed her legs wider apart to get an unobstructed view of Raylene's pink slit.

First I licked the right side, and then the left. Over and over I caressed her with my tongue, carefully avoiding touching her slippery inner lips. Finally, unable to take my teasing any longer Raylene grabbed my hair and pulled my face closer, grinding herself against my lips and forcing her wet hole to join with my mouth. I reached my hand around her leg so that I could get my finger on her clit, and I flicked it wildly as I continued sucking. It was as if an electric shock passed through her. She spasmed and came into my mouth, riding the waves of pleasure that passed through her. As she came her pussy became even wetter and her girl liquids oozed onto my lapping tongue. I slurped every delicious drop, wondering if I would ever taste anything this good again.

Still gasping for air but through with her orgasm, Raylene finally relaxed her legs and let go of my hair. I stood up straight on my knees and scooted in closer, my throbbing dick only inches from her cute little slit. Raylene spread her legs even wider and slid her ass towards me, her pussy pleading for my penetration. I grabbed my cock and guided it into her cunt. The warm sensation ran through my entire body. It was like I was all cock and nothing else. As I rapidly slid myself in and out of Raylene's velvety warmth, the cum which had been building up inside of me began boiling out of my balls. I rammed myself into Raylene as far as I possibly could and froze. After a second or two my dick injected load after load of hot white sperm deep into her. She came too, looking into my eyes and squeezing my hand in a death grip as her body squirmed and spasmed around our joining. I never felt so drained in my entire life.

Exhausted by my orgasm I let go of her hand and fell away from her. I saw Breanna approach her and she quickly got down on her hands and knees and crawled to Raylene's dripping pussy. Breanna dropped her mouth to the sperm trickling from Raylene's hot pink slit. Breanna licked my warm seed from Raylene's wet lips, savoring each drop and then swallowing Raylene's juices mixed with my cum. She had her eyes closed and a little smile on her face as she enjoyed Breanna's oral attentions. It wasn't long before Breanna had licked up all my cum off of Raylene.

Breanna wiped her mouth with the back of her hand and stood up. She helped Raylene stand up. They gave each other a kiss and invited me over for a three-way smooch. Raylene and I became boyfriend and girlfriend. Many times I thanked Breanna for introducing us at the party. "That's what I do." she said.

HMILFs

they're here to serve

And what that means is that in heavily fraternity and sorority oriented towns there are women that have hitched themselves to frats and enjoy the company of college men.

I live in a major university town in a Midwestern state, The town itself is barely 25, 000 people but the university counts more than 30,000 students. Needless to say, students rule. With so many hormones raging around the town there is all sorts of screwing going on at anytime of the day in almost anyplace you can imagine.

But today I'm going to talk about one segment of campus life that hides under the radar. And that's HMILFs. No, it's not a new internet language, it stands for House Mothers we Like to Fuck. And what that means is that in heavily fraternity and sorority oriented towns there are women that have hitched themselves to frats and enjoy the company of college men. The resident HMILFs 'work' at the frat house making meals, cleaning the building and other household chore. In such a confined environment, it's inevitable that there may be hanky panky between the house mothers and students. Many frats make it a point to hire only 'unfuckable' women. Foreigners, older ladies, lesbians and the ugly. That tends to minimize the amount of potential hanky panky.

Some, on the other hand look for house moms that are willing to fool around. It tends to keep a lot of the hormones in the frat house and away from other campus events where pumped up guys can get out of hand. With all that said, let me tell you about Breanna.

She had been at our frat house for the last three years, Just the same time that I joined. She was 32 and very attractive. Her ex-husband had attended the same frat and she said she has a fondness in her heart for the guys in it. That's okay by me. It was an unwritten rule that if she wanted to play around with you, she would pick you and you'd keep it to yourself. The last thing needed in this place was jealous dudes and the school administration finding out, although we all knew they knew.

.One her best traits was at frat party time. She had a direct pipeline to the better sororities and they provided the best and most discreet girls for the more private parties at the frat house. Breanna herself was not above joining in a little girl-girl action but never fucked any of the guys in front of each other or the girls. Perhaps the greatest perk of this frat was the private parties. These were open only to upper class students, usually juniors and seniors and enough of them are held throughout the year that everyone gets a shot at some fine sorority pussy. These parties involved only half a dozen people or so and were held in the middle of the week. The guys and girls involved did not have classes the next morning and since they were midweek they were easier to keep quiet.

I received the invitation for next Wednesday's party. 11:00 pm in the movie room of the frat house. It was a dark paneled room with half a dozen sofas and a few more overstuffed chairs where Fridays and Saturdays were communal movie night; and anyone could use it during the week, until 10 pm – then everyone had to be in their rooms, studying or sleeping.

By ten after there were three guys and

Breanna grabbed my dick and guided it towards Raylene's firm butt. She let go as the cockhead arrived inches from her ass and I stepped closer feeling my flesh on her flesh.

three girls and Breanna. She had paired us up and introduced us over glasses of wine or beers. By 11:30 we were all feeling pretty good and the lights turned down even more and changed to a warm amber color. My date was Raylene, a 5' 8" blonde coed from the tri-delts, the hottest sorority on campus. The other guys got dates just as hot but my focus was on Raylene.

The party started with Breanna gently kissing the mouth of my date, warming her up for me. Without breaking the kiss, Breanna reached down to Raylene's jeans and unsnapped them. I could tell by the way that she moved her arms and shoulders that she had put her hand inside the girl's pants and begun massaging her pussy. I knew that I was going to get to see more of her in a few minutes and I was content to just watch Breanna warm her up for me. I saw the other two girls in the corner whispering excitedly to each other as they watched. I returned my focus to Breanna who had turned the girl around so that she was facing the wall, her pants unbuttoned and about ready to fall down. Breanna had her bend over and put her hands on the wall, leaning against it and making her taut ass poke out into the room. I can tell you she had a world-class ass.

Then Breanna brought her hand up, and with a smile on her face smacked the girl hard on the ass. She moaned softly and stuck her butt out even further, wiggling it teasingly from side to side. I suddenly remembered that I was here to screw this girl myself and not just to watch Breanna have fun. I stepped forward and Breanna noticed me and as I got close to them Breanna stopped caressing the girl's warm bottom and stood up next to her. Breanna smiled at me with her eyes and then stepped close to me and started to unzip my jeans. Breanna dropped my pants down over my ass, exposing my erection. She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing to me, but she also knew that she couldn't really get me off – I was here for the other girl.

Breanna grabbed my dick and guided it towards Raylene's firm butt. She let go as the cockhead arrived inches from her ass and I stepped closer feeling my flesh on her flesh. I laid my cock between the cheeks of that delectable ass and a little spurt of pre-cum squirted out of me, lubricating her butt and my rod. She moaned softly as she felt the wetness. Then she stood up straight, rubbing my bare dick with her bare ass as she tried to make as much contact with my body as she could. My arms slipped around her and grabbed onto her boobs through her shirt. After caressing them for a moment I slid my dripping tool up and down her ass. In one fluid move she slipped her t-shirt off over her head, and I got to see her perky nipples being teased by my fingers. I was engrossed in the pleasures of her taut warm butt, almost lost in a dreamland of lust. But I still noticed when Breanna kneeled again down beside the girl's legs. She slid her pants and panties down and helped her step out of them. I glanced down and saw that she was totally naked now except for a pair of lacy white socks that came up to her calves.

All the while I kept up a steady rhythm, riding the outside of her slippery ass just like I wanted to ride the inside of her pussy. Sensuously she began to turn around, her arms encircling my head and her breasts pushing into my chest. My bare cock left a slimy trail of sperm on her tight stomach as she came to face me. She brought her lips up towards mine, ready for a kiss. As we kissed for the first time she reached down and took my rod in her hand and rubbed it against her belly. Her lips were firm and delicious, and I was so busy kissing her that I barely noticed as Breanna slid my pants down, freeing my legs and my cock.

My most exciting sexual exoperience was last year in the middle of the winter in the middle of Massachusettes in the middle of a va. I was with this guy and we got snowed in for the night. We used the car's heater as long as we could, but then had to share our body heat the rest of the night. We spooned in the middle of his van and I reached behind for his cock. I warmed it up and pulled my pants down and guided it into my butt hole. That warmed us all night long.

I got a call a couple days before my shoot from the director. "Hey Sammy, you'll be working with Alex on Friday and I know you two have worked together before. He told me that you told him you'd do anal with him next time the two of your worked together. Well, this is that time. Will you do it?" "Yes, I'd love to." I answered without hesitating. "Great, he's looking forward to it." "Okay, bye." I was looking forward to it, too.
